Kerala State e-Governance Awards 2019-20 & 2020-21

Enhancing quality of services to common citizens is one of the key motives of Government of Kerala. The Government has taken several initiatives to make this possible and e-delivery of services is one such major initiative. This aims to transform India's most literate state into India's most e-literate and e-governed state. In 2008, the Kerala Government instituted a programme to encourage undertakings and departments, co-operative societies, academic institutions and statutory bodies based in Kerala to create and deploy the tools that would make their operations more meaningful and user-friendly. This took the form of the Kerala State e-Governance awards that recognize and honour the best e-governance projects and solutions in the State.

Entries are now invited from eligible agencies for the e-Governance Awards, recognizing work done during the period 2019-20 (01-04-2019 to 31-03-2020) and 2020-21 (01-04-2020 to 31-03-2021)
